Montecristo Mini Cigarillo 28

Montecristo minis are an excellent cigar for those with little time on their hands to enjoy a puff of Cuban magic. Well balanced with a medium flavor

Montecristo #4 90

The biggest selling handmade Habano in the world. Tonnes of flavour, without being full in body, spicy and peppery but at no point overwhelming.

Romeo Y Julieta Wide Churchills 162

Taste is where this cigar redeems itself. Effortless lighting yields billowing columns of smoke with woody and oftentimes fruity and even melon like notes.

All prices are in AED and are inclusive of 7% municipality fee, 5% VAT and 10% service charge

Romeo Y Julieta #3

92

There are light aromas of tobacco and citrus at cold. The smoke is thin in the mouth but it is very tasty. You can taste honey, caramel, and some coffee.

Partagas Serie D4

179

It's something unusual and this Cuban is nothing like the other Cubans you did or will smoke. Some flavour of nuts kicks in after, roasted coffee and more earthy undertones.

Cohiba Exquisitos

184

Ideal starter cigar for those wanting to discover the best of Havana. Quick burning, fresh, flowery and packed with spicy flavor the Exquisitos makes for a casual smoke.
